Overall Championship Playoff

The 6 Flight Winners will be seeded by total points and paired to play Holes #1 & #5 with one team being eliminated each hole. The final twosome will play Hole #9 for the Overall Championship.

- Seeds for the First Playoff Hole #1:

  1 vs Wild Card #2
  2 vs Wild Card #1
  3 vs 6
  4 vs 5

- Winners of each match, will play Hole #5. We will re-seed the teams who advance to Hole #5.

  1 vs 4
  2 vs 3

- The final four teams will play Hole #9. The two losers from hole #5 will play for third place. Then the two winners will play for the overall championship.

Teams will play from the Blue Tees, and compete under the Tournament Format for play. They will replay as many as 2 times for a tie-breaker for Holes #1 & #5. If a tie still exists, a chip-off will be used. The final twosome for the championship will continue to play #1, #5, and #9 until there is a winner.

Method of Scoring

1. There will be one (1) scorecard for each match. The BHCC member with the lowest handicap will be the official scorekeeper.
2. A member of each team must attest, by signature, the match results and each Team's total. Points will stand, as marked. **Check Your Scorecards!**
3. All players will get their strokes as they fall at 80% of their full handicap. A sample method of scoring is on the previous page.

Overall Championship Playoff

The six (6) Flight Champions will participate in a Playoff to determine the Overall Championship. This year we will add two (2) "Wild Card" teams to bring the playoff total to 8 teams. The Wild Card teams will come from the highest point total from the top three flights, and the highest point total from the bottom three flights. Any ties will be broken using the same playoff format for a tie for First Place in a Flight.

Belmont Hills Country Club

54th Annual Member-Guest Invitational

Tournament Format

The competition will be over 36 holes. Teams, in each sub-flight, will play each other for their first three 9-Hole Matches. The final 9-hole pairing will match the sub-flight leaders, second place teams, etc. The team with the most points will be declared the Flight Champion.

If two teams or more are tied for first place in a Flight, a sudden death playoff will decide the winner. A tie for second or third place in a flight will be broken by using the following method:

First Tie Breaker—Winner, Head to Head Match
Second Tie Breaker—Total Points in sub-flight Competition.
Third Tie Breaker—Saturday Points won in sub-flight competition.
Slow Play: not tolerated. Skip Hole. No points awarded for hole skipped.

Handicaps: All contestants will play at 80% of their recorded handicaps. The maximum handicap for any competitor will be 30.

Match Play: The field is handicapped at 80% for their tournament handicap. Every player will get their shots where they fall.

Pari-Mutuels: Pari-Mutuels may be purchased during the Thursday evening cocktail party or before play on Friday.

Again this year-Pari-Mutuels will be paid on the entire field results for Friday, Saturday and Overall.

Belmont Hills Country Club

54th Annual Member-Guest Invitational

Tournament Format

The field will be divided into Six (6) flights with Four (4) flights consisting of eight (8) teams and Two (2) flights consisting of six (6) teams. The Flights of eight (8) will be divided into two (2) sub-flights, comprised of four (4) teams each. The format for play will be Team Match Play.

Teams will be competing for points. Points will be awarded in accordance with the standings at the end of each 9-hole match.

A) One point for each hole won.
B) One-Half point for a hole tied.
C) One point for winning the match.
D) One-Half point for a halved match.

Note: When the low score is tied, go to the second man's score for a hole tie-breaker. If the teams tie again, each team shall receive one-half point.

Rules Governing Players Not Playing An Entire Match

In the event that an opponent team or a member of that team does not show up for a tee time, or quits a match for any reason, the following rules will apply:

1. If one team member cannot or does not play, the other member shall continue to play, if at all possible. The is essential to protect the field.
2. If an opponent team fails to show up for a tee time, the other team will play and be awarded 1 point for each hole played until the other team does show up. However, the playing team will not be awarded more than 7 1/2 points for the match unless at least 1 member of the opposing team plays at least 6 holes.
3. If both members of a team quit playing after a match has started, the other team will be awarded 1 point for each of the remaining holes, plus 1 point for winning the match, if appropriate. However, the winning team will not be awarded more than 7 1/2 points unless they have actually won more than 6 1/2 points before the other team quits. In that case, they will be awarded all points won before the other team quits, plus 1 point for winning the match.
